

HYGINITY Interfold Towel Dispenser XL

A new dimension in hand hygiene.

- For highest usage frequencies
e.g. at airports or stadiums
- For extended refill intervals,
ensuring a secure supply and
saving service resources
- HYGINITY Design –
intuitive in use and operation
- Efficient fill level control
via a surrounding transparent window
- Digital ready –
prepared for future sensor integration
- Robust and easy to maintain
- Durable and sustainable
thanks to recyclable mono-material
- Available in black (recycled ABS) and white
